LANDMARK OF PRE-INDEPENDENCE INDIA

Long before there were other landmarks, there was Shivabagh, a mansion that gave its name to the most elite locality of Mangaluru. A palatial home graced by legendary personalities like the Father of the Nation, Mahatma Gandhi, India's first prime minister Jawaharlal Nehru, poet, laureate and author of our country's national anthem, Gurudev Rabindranath Tagore, and the eminent statesman and freedom fighter, Chakravarti Rajagopalachari.

Land Trades Shivabagh draws inspiration from the heritage of this historic site.

THE ESSENCE OF DISTINCTION

An abundance of free spaces to enjoy solitude. A step behind the driveways is the quiet outdoor gazebo and extravagant greenery extending all around.

Here, you are in the company of visionaries.

PANORAMIC SEA VIEW

Raise a toast to your journey, with a panoramic sea view.
The sky is a little closer, and the horizon a bit farther.

INFINITY SKY POOL

Reflecting the immensity of the night sky, Infinity Pool at 33rd floor seemingly flows into the skies. Elucidating the the harmony of high life, the exclusive waters are accompanied by the allure of extravagance.
